

**GOODHUE  
COUNTY** | **MN**

pop. 46,449

Located in southeastern Minnesota along the Mississippi River, Goodhue County's landscape is adorned by bluffs and water which offer its residents both recreational opportunities and beautiful scenery. The county seat, located in Red Wing, is home to an abundance of outdoor activities, historic sites, and the world-famous Red Wing Boots and Pottery.

A rich sense of culture is displayed through art and theatre as well as the many historical landmarks throughout the area. Medical services and facilities provided by Mayo Clinic offer the community dynamic healthcare with a personal touch. Goodhue County offers both public and private schools within the twelve districts of the County. In addition, Red Wing is home to the Minnesota State College Southeast.

Goodhue County boasts many spectacular landscapes and wildlife habitats. Wind through this beautiful land on one of the trail systems in the County and explore with the changing seasons have to offer. Residents and visitors alike can fish and boat on the mighty river, ski at nearby resorts, bike on the Cannon Valley Trail, enjoy area trout streams, watch for eagles on the dramatic bluffs, or sip a latte in one of the historic downtown areas. Folks can find county and city parks, lakes, rivers, and wooded areas scattered throughout the communities as well as theatres, cultural museums, shops, restaurants, and much more.

# IT Network Engineer

2022 Salary Range: \$63,856 to \$91,374

Goodhue County processes its information through an intricate network of personal computers, servers, firewalls, and switches. The IT Department manages the processing of all information through the network which includes monitoring performance, backing up data, troubleshooting issues, and implementing new and updated systems. The IT Department supports all county employees in the use of technology from email and spreadsheets, to complex databases requiring state and federal security.

The County provides excellent working conditions with a strong and supportive IT team as well as supportive management and excellent interdepartmental relationships.

The County's comprehensive benefit package includes medical and dental insurance, health savings account, employer paid life insurance, short-and long-term disability, accident insurance, pre-tax flexible spending accounts, retirement plan, tax-deferred compensation, generous vacation and sick leave, and 12 paid holidays per year. County employees are eligible for the Public Service Student Loan Forgiveness (PSLF) program.

**Job Summary:** The primary objective of this position is to provide critical support for the entire County networking environment of physical and virtual servers, operating systems, application programs, networking equipment, SANs, and data backup systems. The position provides server and network support, application and database support, and other technical support. Work is generally performed in the office; however, there are some possibilities for limited remote work.

**Minimum Requirements:** Four-year degree in Computer Science, or equivalent, or four years of experience. Preference given to applicants with hands-on experience supporting a complex, enterprise-wide network infrastructure.

**Apply:** Visit <https://bit.ly/3q4KW7V>. The position will be open until filled with preference given to applications received by Friday, February 4, 2022. DDA Human Resources, Inc. is assisting Goodhue County with this hiring process.
